### Collecting and Using Your Personal Data

#### Types of Data collected

##### Personal Data

While using our service, we will be collecting your personal data that includes:

- Discord account ID (A unique identifier that is associated with your Discord account).
- Riot Games Riot ID (the game name and tag line).
- Riot Games account ID (A unique identifier that is associated with your Riot Games account).

- A history of Valorant matches including details of individual Valorant matches that are found in your Riot Games account for Valorant retrieved via the Riot Games API endpoints.
- A list of user's preferences for their account settings.

### **Usage Data**

Usage data is automatically collected when an individual uses our service.

- On the website, usage data may include information such as your Device's Internet Protocol address (e.g. IP address), browser type, browser version, the pages of our service that you visit, the time and date of your visit, the time spent on those pages, unique device identifiers and other diagnostic data.
- On the Discord platform where our service is present, usage data may include information such as the frequency of the features used, user inputs sent to the service such as the individual's requested parameters to the features and the buttons dropdown interaction of our features, your conversation history and preferences stated to Metis - The Valorant AI coach, an overview of the content that has been provided to you and the time and date it was provided as well as errors that are generated from the individual's use of our service.

### **Use of Your Personal Data**

Our service may use your personal data for the following purposes:

- To provide and maintain our service - including to monitor the usage of our Service.
- To manage Your Account - Your registration as a user of the service. The personal data you provide can give you access to different functionalities of the service that are available to you as a registered user.
- To contact you - To contact you by your Discord account to inform you about updates related to our service that we consider necessary to send to the individuals using our service and any errors in our service that might be caused by you or otherwise interfere with your experience of the product.
- For your usage - We use your personal data to display features that requires the use of your personal data such as but not limited to your Valorant matches and a summary of your Valorant matches.
- For others - Depending on whether or not you choose to publicly display your data that is related to Valorant, we may display your Valorant matches, a summary of your Valorant matches with other users using our service and/or your Discord account ID.
- All Riot Games Riot IDs, along with the corresponding Discord account ID obtained from our users are sent to leagues.gg, a Riot Games partnered platform.

### **Retention of Your Personal Data**

Our service will retain your personal data for up to 30 days of inactive use of our service for the purposes set out in this Privacy Policy. After this 30 day period of inactive use of our service, all personal data related to you will be erased from our service's database.

Our service will retain your usage data for as long as it is possible for analysis purposes. The usage data that is collected from our service is used to improve our service and is stored anonymously and without personally identifiable information.

If you wish for a complete removal of your personal data, you may do so by contacting us via email to the address [olafur@eca.gg](mailto:olafur@eca.gg)

## **Disclosure of Your Personal Data**

### **Business Transactions**

If our service is involved in a merger, acquisition or asset sale, your Personal Data may be transferred. We will provide notice before your personal data is transferred and becomes subject to a different Privacy Policy.

### **Disclosing Your Personal Data**

Our service may disclose your personal data when we deem that our service is required to:

- Comply with a legal obligation
- Protect and defend the rights or property of our service
- Prevent or investigate possible wrongdoing in connection with our service
- Protect the personal safety of users of the service or the public
- Protect against legal liability

## **Children's Privacy**

Our service is not intended or allowed to be used by anyone under the age of 13. We do not knowingly collect any personal information from anyone that is under the age of 13. If we become aware that we have collected personal data from anyone under the age of 13 without parental consent, we will take steps to remove that information from our service's database.

## **Links to Other Websites**

Our service may contain links to other websites that are not operated or affiliated by us. If you are redirected to a third party link from our website, we have no control over and no responsibility over the content, privacy policies, agreements or practices of any third party sites or services.

All products, services, trademarks or copyrighted materials you might encounter on third party websites or services that we might link to are the property of their respective owners

and we do not claim ownership in any way nor do they represent Metis - Valorant AI coach, our company views or values in any way.

### **Changes to This Privacy Policy**

This Privacy Policy is subject to be changed from time to time. You will be notified by us for any changes towards this Privacy Policy page.

We will let you know via the Discord platform and/or other prominent services used by the service through a notice, prior to the change(s) becoming effective and update the "Last Updated" date at the top of this Privacy Policy page.

### **Contact Us**

If you have any questions or concerns about this Privacy Policy, you may contact us by direct messaging one of our staff members in our Discord support server or address your message to @Metisdevs in the Discord Support Server.
